*If an associate degree in a business related program does not include Applied Statistics, English Composition I and II, Financial Accounting, Managerial Accounting, Microeconomics, and Macroeconomics, these courses will be required **prior** to matriculation into the BS Management program.

If an associate degree in a business related program does not include indicated prerequisites of **Principles of Marketing, Human Relations in Administration, Principles of Management and Introduction of Psychology or Introduction of Sociology, these courses will be required at SNHU AND **may be taken as part of the (3) electives**.

***The **General Education** program at Southern New Hampshire University provides our students with the knowledge, skills, and cultural awareness necessary to succeed in their major field of study and become leaders in their chosen professions and communities. Students who complete the General Education program will also acquire the tools to become independent thinkers and lifelong learners who are able to make informed moral and ethical decisions.

If an AS/AA degree in a business related field is greater than 60 credits, additional credit may be awarded on a course by course basis. If an AA/AS in a business related field already contains a course listed above, an elective may be substituted.
