Employer Recruiting Policies

Criteria for Employers

Red Rocks Community College invites employer organizations to use our services provided they meet the following basic criteria:

- The organization must have actual or anticipated employment opportunities available for students or alumni.
- The organization must accurately describe the responsibilities, requirements and conditions for advertised positions in all publicity, including online job postings and information sessions.
- Employers are expected to adhere to the National Association of Colleges and Employers (NACE) [Principles for Professional Practice](#).
- Final approval of all jobs/internships is at the discretion of RRCC.
- All employers must have a valid federal employer tax ID (“EIN”) number.

Red Rocks collaborates with our employer partners who are registered on the RRCC Career Connect database system. The following policies are established to determine eligibility of an employing organization or individual to utilize any employer services with Red Rocks Community College.

Eligible Employers

1) The employer must have an “employer-employee” relationship in which there are no fees associated with becoming an employee of the organization, not including professional licensure fees that may need to be covered by the employee (ex. Insurance licensing fees to sell insurance, etc.). In addition, the employer must comply with all federal, state, and local Equal Employment Opportunity (EEO) laws and regulations.

2) Internships should be paid and/or approved for credit through an RRCC academic program. Internships may be unpaid if they provide training, supervision, and evaluation. For more information about Internship Policies, [click here](#).

3) Third-Party Recruiting/Staffing Agencies can post jobs on RRCC Career Connect and participate in career fairs.

4) Home-based businesses will be evaluated on a case-by-case basis.

Ineligible Employers/Jobs

1) Any employer who does not meet one or more of the “Eligible Employers” criteria.

2) Network Marketing Organizations and Franchise Business Opportunities. Such organizations are those that engage in one or more of the following practices:

- Sponsorship of an individual in setting up his/her own business for the purpose of selling products or services and/or recruiting others to set up their own business.
- Requirement of an initial financial investment from individuals, with the organization itself serving as an umbrella or parent corporation. The initial investment maybe direct payment of a fixed fee, payment to attend an orientation or training session, and/or purchase of a starter kit.
- Compensation is often or exclusively in the form of straight commission, fees from others under their sponsorship in the organization, and/or a percentage of sales generated by others.

3) Babysitting or nanny services (job announcements can be sent directly to our Early Childhood Education. Create a flyer, send to Janiece.Kneppe@rrcc.edu, and she will post it on two of their bulletin boards).

4) Cannabis Industry - We are not accepting job postings of this nature at this time.

Employer Conduct
